### [Bee Me Outreach Website Re-design](#)

This is a [website](#) we just upgraded to a new [design](#). The [Bee Me](#) company has been evolving greatly in response to audience interaction. The "I Am" book (which was designed by Red Horse Dezin) shown on this site has become even more of a hit than ever imagined!

Bee Me Outreach strives to bring a positive message to communities and their young people, especially pre-teens. [Contact BeeMe](#) to learn more!
