[Logo Design for Computer Repair and Network Company in Tampa](#)

Custom [logo design](#) for iTech Computer Solutions, a computer repair, optimization and network company in [Tampa, FL](#) .

Client said:

"Both [logos] look fantastic. Suzie and I are so pleased with your concept and design. Thanks for pushing this along ... I'll be sure to bring a sample to show you once it is completed.

I guess the next step is to move forward with the business card design ... I truly appreciate all of your effort."
